## Other eligibility requirements

- **Basic cover** can only be provided automatically if you're 25 or older; and your super balance reaches \$6,000; and you've received an employer super contribution after your super balance first reaches \$6,000. You can apply to commence your basic cover before your super balance reaches \$6,000. For more information on when your cover starts read the *When your cover starts* section in the *Insurance in your super* guide at [australiansuper.com/InsuranceGuide](https://australiansuper.com/InsuranceGuide)
- **Limited cover** may apply to your cover, including Death cover, for a period of time. Limited cover means you don't have full cover yet and you won't be covered for any pre-existing illnesses or injuries you had before you got your insurance and it may last for different lengths of time. You'll be covered for an illness that becomes apparent, or an injury that occurs on or after the date that your insurance starts or increases. To learn more and understand other circumstances for limited cover see the *Limited cover and standard exclusions* section in the *Insurance in your super* guide at [australiansuper.com/InsuranceGuide](https://australiansuper.com/InsuranceGuide)
- **Full cover** means your cover isn't limited cover. You're covered for both pre-existing and new illnesses or injuries, unless exclusions apply.

## What are your options?

### Keep your cover

- Check if your basic cover meets your needs. Basic cover is age-based. The cover amount and cost changes as you get older.
- Basic age-based Income Protection may be unsuitable if you're earning a low income and the cover amount for your age is more than 85% of your salary. 
- Review your insurance needs regularly, particularly when your circumstances or financial commitments change. See your current cover in the AustralianSuper app or log into your account and go to *Insurance*.

### Cancel your cover

You can cancel your cover anytime. If you do:

- You (or your beneficiaries) can't make an insurance claim if you suffer an illness or injury after cancelling.
- Claims may still be paid for an illness or injury that happened before cancelling.
- The cost of cover will stop being deducted from your super account from the date of your cancellation (costs are deducted one month in arrears).
- You might not be able to get cover later. That's because you'll need to reapply and provide detailed health information for the Insurer to consider.

### Change your cover

- You can reduce or apply for more (or new) cover anytime.
- You may need to provide detailed health information for the Insurer to consider when applying for more (or new) cover.
